

2024 Community Profile

The Valley  *Health System*[®]

From the Regional Vice President

The past year brought new accomplishments and milestones to The Valley Health System, including the opening of ER at West Craig and ER at North Las Vegas and the groundbreaking of ER at Cadence, which is scheduled to open in late summer of 2024. Construction continues at our newest facility, West Henderson Hospital, which is on schedule to open in late 2024.

Our commitment to patient safety and quality care was a top focus in 2023. Our hospitals received awards and recognitions from The Leapfrog Group and U.S. News and World Report, and specialty certifications from The Joint Commission, American Heart Association® and American Stroke Association®.

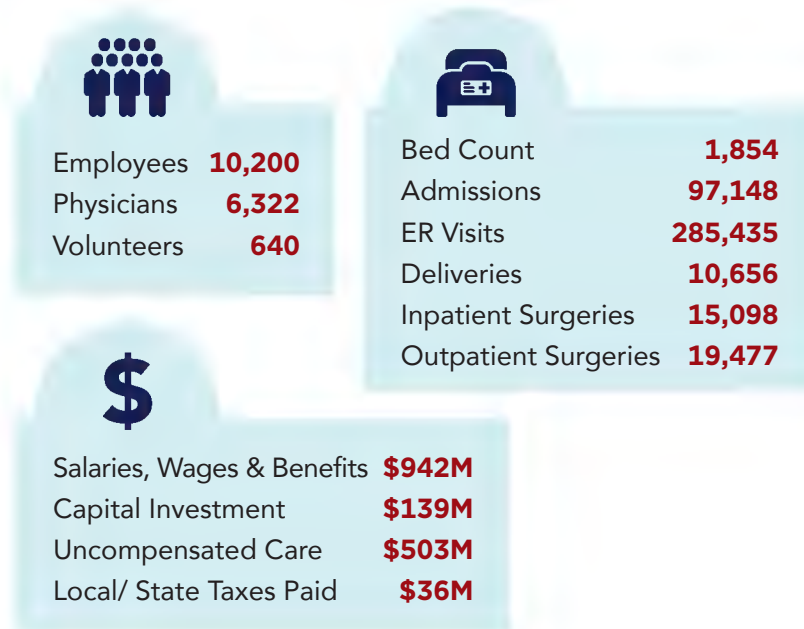

We greatly appreciate your continued support of our healthcare providers and facilities throughout Southern Nevada. Together we are making a positive difference in the lives of others.

Thank you for entrusting your care to us.

Karla J. Perez
Regional Vice President, Acute Care Division

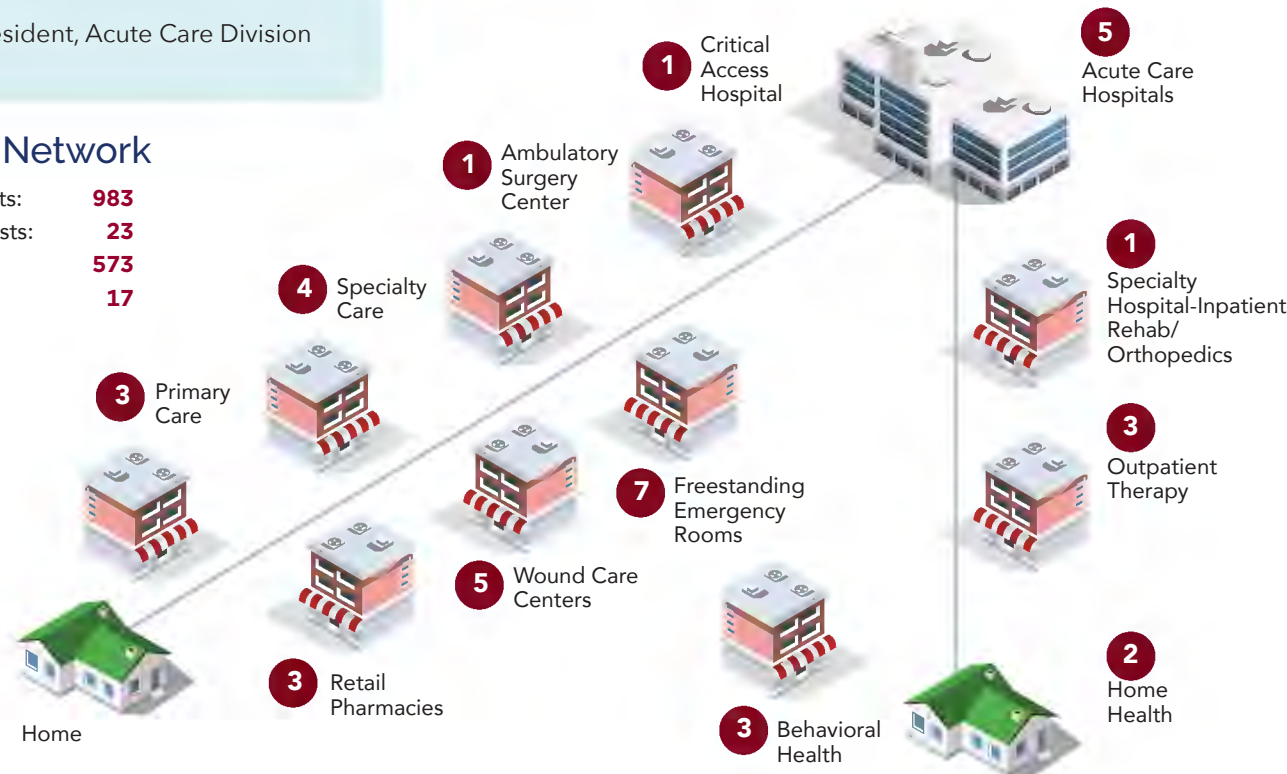

The Valley Health System Boosts Local Economy in 2023

The Valley Health System is proud to contribute to the health of the community and boost the local economy. Our numbers tell our story – we are the largest provider of healthcare services in Southern Nevada. As an esteemed employer, The Valley Health System offers a wide range of rewarding career opportunities, as well as educational support and training for the next generation of healthcare providers, including physicians, nurses, therapists and others in the allied health science programs.

**Uncompensated care equals the sum of bad debt, charity care and uninsured discounts.

The Valley Health System Milestones 2022/2023

Centennial Hills Hospital

Centennial Hills Hospital was named a High Performing Hospital for Heart Failure and Stroke by *U.S. News & World Report* (2022-2023). The Advanced Wound Care and Hyperbaric Center at Centennial Hills Hospital received the President's Circle Award from Healogics®, a prestigious honor for operating as a top national center that achieves clinical and operational excellence.

Henderson Hospital

Henderson Hospital received its tenth consecutive "A" safety grade from The Leapfrog Group in 2023 and completed the expansion of its Women's Services facility, which included a 30-bed Level III NICU, 14 labor and delivery rooms, three C-section suites and 28 postpartum beds.

Spring Valley Hospital

Spring Valley Hospital celebrated its 20-year anniversary. It was named a High-Performing Hospital for Stroke by *U.S. News and World Report* (2022-2023) and was certified as a Thrombectomy-Capable Stroke Center by The Joint Commission and The American Stroke Association®. ER at Blue Diamond, an extension of Spring Valley Hospital, was certified as an Acute Stroke Ready Hospital.

Summerlin Hospital

Summerlin Hospital celebrated its 25-year anniversary and added 31 medical and surgical beds. It earned an "A" safety grade from the Leapfrog Group and was named an Outstanding Adult Critical Care Unit by the Nevada Donor Network and a High Performing Hospital for Heart Attack and Stroke by *U.S. News & World Report* (2022-2023).

Valley Hospital

Valley Hospital completed its 100th TCAR procedure and performed more than 100 lung biopsies using the Intuitive ION robotic-assisted bronchoscopy platform, the most done in Nevada in 2022. The hospital also launched its Pulmonary Embolism Response Team – PERT.
