Anesthesia Management Web-based Training (WBT)

You will access your online learning course thru the internet. Cut and paste this URL into the address line of Windows Internet Explorer. Or with this document open click the hyperlink to launch http://12.3.32.63/ics/launch_UHS_PA.htm.

If you are using a Mac, you will need to install VMWare Fusion enabling you to run Microsoft Windows simultaneously. Open VMWare Fusion, launch Windows, launch Internet Explorer and the URL address above.

Steps to take the FUSION Anesthesia Management course.

- 1. Once you launch the site, click the down arrow button of the Select a Course list and select the course you want to display.
- 2. Click the Launch Course button. There will be two windows that open. One will be the course and the second will maintain the connection with the course server. Do not close either window until you wish to close the course. You can re-launch the course at any time to complete.
