We would like you to review the following Course:

- **FUSION ED Provider**

~Once you launch the site, click on the drop-down arrow in the Select a course: field. The Inpatient Provider class is in the course field on this screenshot. No names need to be entered, but we recommend you enter your student name. Then just click the Launch Course button at the bottom of the open window.

If you are using a Mac, you will need to install VMWare Fusion enabling you to run Microsoft Windows Simultaneously. Open VMWare Fusion, launch Windows, launch Internet Explorer and URL address above.

~Once you are in the Fusion ED Provider Course, you will see the screen below.  
Click **Next** to proceed through the course or **Continue to begin**.

**Submit Completion**

True  
 False

Submit

Once you enter “True”, it will take you to the last screen where you are able to Review your Progress. Please submit your score, then view and print the Certificate.

This will verify that you have completed the online education. Please fax this Progress Form to (702) 853-8953. Please remember to include your name as well. You will also need to go to the Valley Health System Website and print out a “VHS Data Access Agreement” and an “External Access Request” Form to send along with this Progress Form.

The website is shown below. Go to the **Medical Staff Resources** Section to find the required forms. The URL is as follows:
