If you are using IE 10 or 11 you will have to add the site to your compatibility settings as follows:

1. From the Internet Explorer empty grey box window highlight and copy (CTRL+C) the IP address from the address bar

2. From the menu bar select **Tools: Compatibility View Settings**
3. Paste (CTRL+V) the IP address into the Add this website area and click the Add button

4. Click the Close button.
5. Close Internet Explorer then re-open IE and launch the course once more

If you are using a Macintosh, you will need to install VMWare Fusion enabling you to run Microsoft Windows Simultaneously (see steps below):

1. You can install the VMWARE Fusion software by navigating to <http://www.vmware.com/products/fusion>
2. Once installed open VMWARE Fusion
3. Launch Windows
4. Open Internet Explorer
5. Go to <https://www.brainshark.com/uhsinc/ProviderBasicFunctions>
